

“Failure is NOT an Option” Scholarship Application

Terms:

Our intent is for every individual who would like to participate in our program to be able to without causing a financial burden.

Please note that all information provided on this application is confidential and will ONLY be used to determine if you meet the scholarship requirements. All applicants will also go through an interview process. Determination of scholarships will be made at least 2 weeks prior to the beginning of each Group’s beginning date in the coaching program.

If your scholarship application is not accepted, you may reapply as many times as you would like, but a new application is required for each group.

Not all applicants will be approved for a scholarship; however you may still be eligible for a payment plan.

If you are granted a scholarship, you will be required to sign a coaching contract that will state the terms and agreements of your scholarship and your participation in the coaching program. You are NOT guaranteed the scholarship or placement in the program until this contract is signed.

Scholarships do not replace trade hours. ALL coaching participants are required to complete trade hours as agreed upon in the contract.

If you are accepted into the scholarship program, and you do not fulfill your obligations or successfully complete the coaching program (as outlined in your coaching contract), you may be required to pay the coaching fee.

In filling out this application, be sure to fill it out completely and fax it back to us at (866) 301-7735. Incomplete applications will not be accepted.

Please send any questions to coaches@virtualvacoach.com and we will respond as quickly as possible.
